THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI SHRIPAD YESSO NAIK)): (a) No, Sir. In terms of Indo-Mauritius DTAA, Capital Gains on purchase and sale of shares of Indian companies is chargeable in Mauritius in case of residents of Mauritius. It is not subjected to capital gains tax in India. As such it cannot be said that Capital Gains Tax has been 'lost'. No record of amount of such tax leviable in Mauritius in terms of the treaty is maintained by the Income Tax Department.

(b) In view of (a) no action is called for in cases of residents of Mauritius.

(c) Supreme Court has passed the order after taking into account the legal and factual aspects of the matter. It will not be possible to say that Supreme Court has not appreciated the facts of the case. The Supreme Court has come to conclusion that the grant of exemption from Capital Gains Tax in India in terms of the Treaty doesn't amount to 'abuse' of the Treaty.

However, there will be no contribution from the Central Government in respect of individuals who are not Central Government employees.

(d) to (f) In the Eleventh Conference of the State Finance Secretaries held in the Reserve Bank of India of on January 9, 2003, it was felt that a detailed examination of the issues relating to States' increasing pension liabilities could facilitate the States to initiate appropriate measures in this regard. Accordingly, the State Finance Secretaries formed a Group to study the pension liabilities of State Government under the Chairmanship of Shri B.K. Bhattacharya, former Chief Secretary, Government of Karnataka. The Group consisted of Finance Secretaries of eight States, representative from the Department of Pensions and Pensioners Welfare, Government of India, Life Insurance Corporation of India and few experts.
